The approved Fuel Charge applicable to retail services will apply to all services supplied under the Area Lighting Service Schedule. It is understood that City's acceptance of this Application will be evidenced by the signature of its authorized representative in the space provided below. The term of this Agreement is from the "Date" as appears on the front of this agreement, continuing for three years for overhead service, five years for underground service, ten years for street lighting, and shall automatically extend from year to year thereafter until terminated by Customer. City will perform as soon as practicable, during regular working hours, the necessary maintenance to restore illumination after Customer has notified City that a lamp is not burning. This Agreement may be terminated by the Customer before the expiration of the initial Contract Period by paying to City a sum of money equal to 40 percent of the bills which otherwise would have been rendered for the unexpired months of the initial Contract Period. This Agreement and the applicable Rate Schedule, Riders, and Service Regulations are subject to changes or substitutions either in whole or in part, made from time to time by action of the Board of Aldermen. Unless specified otherwise, any such changes or substitutions shall become effective immediately and shall nullify all prior provisions in conflict therewith.
