

CITY OF NEW BERN
Medium General Service #1
Schedule 08

AVAILABILITY

This schedule is available for electric service used at a single point of delivery, at one of the City's standard voltages, used by any non-residential customer with a monthly demand of 35 kW or greater for at least two of the preceding twelve months, but less than 100 kW for 11 of the preceding twelve months.

This schedule is not available for: (1) residential service; (2) breakdown, standby, or supplementary service unless used in conjunction with applicable standby or generation service rider for a continuous period of not less than one year; (3) resale service; (4) or whenever the registered or computed demand equals or exceeds 100 kW. In order to determine that applicable rate schedule for a customer, the City will review that customer's monthly readings once a year in one-year increments from the month that customer first started receiving bills under a new schedule.

MONTHLY RATE

Single-Phase Service

Customer charge	\$27.46
Energy charge	\$0.1012 per kWh
Demand charge	\$9.72 per kW

Three-Phase Service

\$13.88

Bill computed for single-phase service plus \$13.88 per month.

BILLING DEMAND

The billing demand shall be the maximum kW registered or computed by or from the City's metering facilities during any 15-minute interval within the current billing month.

SALES TAX

To the above will be added any applicable North Carolina sales tax.

PAYMENT

Bills are due when rendered and are payable with 15 days from the date of the bill. If any bill is not so paid, City has the right to suspend service in accordance with its service regulations.

CONTRACT PERIOD

The contract period shall not be less than one year; except for short-term construction or temporary service, the contract period may be for the period requested by Customer and in such event Customer agrees:

- (1) That the service supplied shall be for a continuous period until disconnected, and
- (2) That where it is necessary for the City to extend lines, erect transformers, or do any work necessary to supply service, except the installation of a self-contained meter, the Customer shall pay for the line extension in accordance with the City's Line Extension Plan.

GENERAL

Service rendered under this Schedule is subject to the provisions of the City's Service Regulations, and any changes therein, substitutions therefore, or additions thereto lawfully made.

Effective for bills rendered on and after February 1, 2009.
