

NBPD VOLS VOICE

NEW BERN POLICE DEPT. CITIZEN VOLUNTEERS September – 2009 updated

WELCOME BACK!!

I hope you had a fantastic summer off from volunteer meetings and welcome you back for the Fall. We will resume our meetings every third Tuesday of the Month at the Mall Substation, at 9:30am each time.

FALL FUNDRAISER

A fundraising Yard Sale will be held at the 'flea market' area in front of the Furniture Fair this Saturday, September 19th, from 7am – 1pm. Volunteers are busy making preparations for the sale in the PD Substation Mall Conference Room. They have taken over the room to tag and organize donations Thursday and Friday from 10am to 2pm. Please drop off your gently-used items to them out at the mall during these hours, come out and help, and show them your support Saturday morning!

REMINDER

The newsletter is no longer mailed out, however, it is

available via email. If you don't have your email on file, please send it to Kirsten at whitek@newbernpd.org.

MALL VOLUNTEERS

If you cannot work your scheduled time at the substation, or want to sign up to help at the substation, please let Jerry Hobbins know. His number is 637-4125.

If you still need a computer sign-on, please see IT personnel, Jeff or Kevin, on Tuesdays or Thursdays. They can set up a user ID for you.

VOLUNTEER OPPORTUNITIES

NBPD is looking to have volunteers help us on some **community committees**. We are looking for volunteers to be **representatives with Craven County Crime-stoppers and the Promise Place**. If you would like to represent the PD at meetings, we would love to have you work on this project with us.

Volunteers are needed for **Radar Patrol** in community neighborhoods. The Traffic Unit with Sgt. Wayman will train you and set you up in neighborhoods requesting enforcement.

Mumfest is coming up quickly on October 10th and 11th. We need volunteers to help in the booths for the event, help the staff in taking notes, handling lost and found, etc. Contact **Lt. Lovick and Kirsten** are coordinating this event.

The **NBPD Golf Tournament** is quickly coming up on October 24th. If you want to hit the links on

that day or help with fundraising, door prizes, registration, etc., please see **Beth Stevenson** to sign up and help us out! If you want to GOLF in the tournament or sponsor a hole, please let Beth know that as well! The funds this year will help the Young Marines and NBPD Explorer programs.

Volunteers are needed to work in **ISU/RECORDS** and with the public on Wednesdays when the PD is open for **fingerprinting** nurses, school aides, and such. We still need volunteers to help us!! Please see Brenda Garvey or call 672-4160 for this opportunity.

There are a few **tours** scheduled to come through the PD in September and October. If you are interested in helping, please see Brenda Garvey or call 672-4160.

Volunteers are still needed to work on the **newsletter**. It is a once a month task that goes pretty quickly. Kirsten will get you started.

IT is looking for help in **cleaning up old equipment**. Please see Kevin or Jeff to help out!

Volunteers are also requested to update the

Information Line: 672-4265. This once a week task takes just a few moments. Kirsten will teach you how to maintain this phone line.

The Board still needs to elect a new **secretary**. **We want to thank Joann Fragale for her service over the last few years**. If you are interested in serving as secretary at meetings during the next session in 2009-10, please let Frank Gross or Kurt Neumeister know.

CITIZENS POLICE ACADEMY

The next class will be kicking off at the Mall Substation on October 20th. We are hoping to have over 30 attendees in this year's class. Applications are available at the Mall Volunteer Desk or through Sgt. Ernie Flowers at PD. Please sign up if you haven't taken this worthwhile workshop, or pass the information on to your friends and neighbors.

the Mall substation. The prizes will be raffled off at the end of our Yard Sale on September 19th.
