Police and Community to Hold National Night Out

The New Bern Police Department is excited to partner with city residents to hold a National Night Out. The event will start at 4:00 p.m. today in neighborhoods all over town and will wrap up in Trent Court at 8:30 p.m. National Night Out was established in 1984 and developed as a crime prevention program emphasizing partnerships between the police and community. Community involvement in crime prevention is generated through National Night Out with a multitude of events, such as block parties, cookouts, and other activities for everyone during the event. This year there are twenty-two neighborhoods in New Bern participating, which marks the most of any other year. Chief Summers says “rain or shine we look forward to a great time celebrating our safe community in partnerships with fellow citizens.” This year there will be six groups of officers traveling to the various neighborhoods. The schedule for each group is included below.
