A Great Night Out!

Communities throughout the City are once again getting ready for National Night Out – an annual event to promote crime prevention, strengthen neighborhood spirit and celebrate police and community partnerships, as members of the New Bern Police Department, New Bern Fire Department, representatives of Mothers Against Drunk Driving, Cherry Point Police, Target, and the Blue Knights visit host communities to join in the planned festivities.

A total of 14 communities are scheduled to participate and have organized activities to “give crime a going away party” and share the evening meeting new friends and neighbors. Police Caravans will visit the following communities for planned events at the times listed:

Carolina Colours	5:25	Evans Mills	6:40	Sellhorn Heights	6:15
Craven Terrace	5:35	Duffyfield	7:20	Taberna	7:10
Trent Court	4:45	New Bern Towers	4:50	Olde Towne	7:00
Colony Estates	5:10	Kings Row	6:35	New Bern Utilities	5:15

”Community partnerships with law enforcement are vital to a safe community” said Chief of Police, Toussaint E. Summers, Jr. “We encourage everyone to participate in the celebration and learn what citizens can do to work together and keep their neighborhood safe.”

National Association of Town Watch, sponsor of National Night Out, works in cooperation with thousands of crime watch groups and law enforcement agencies throughout the country to promote crime prevention and police/community partnerships. National Night Out activities provide a way for people to come together and learn ways to get involved in protecting their community through education, partnerships with law enforcement, and community watch programs.
